

Sprint 4 Plan

Medicine Tracker

Pill Slugs

Sprint completion date: 11/30/2021

Goal: For our fourth Sprint, We will focus on finishing a MVP and hopefully sprint 4 user stories.

Task Listing:

1. As a forgetful person, I want to be notified when it is time to take my medication so I do not forget to take it.
 - a. Integrate a notification system that messages the user to take their medicine given time to take it.
 - b. Total Hours: 0 hours
 - c. (Currently need to work on previous user stories, not part of MVP)
2. As a user, I want to be able to access my medicine tracker on my phone as well
 - a. Mobile browser functionality and accessibility.
 - b. Total Hours: 0 hours
 - c. (Currently need to work on previous user stories, not part of MVP)

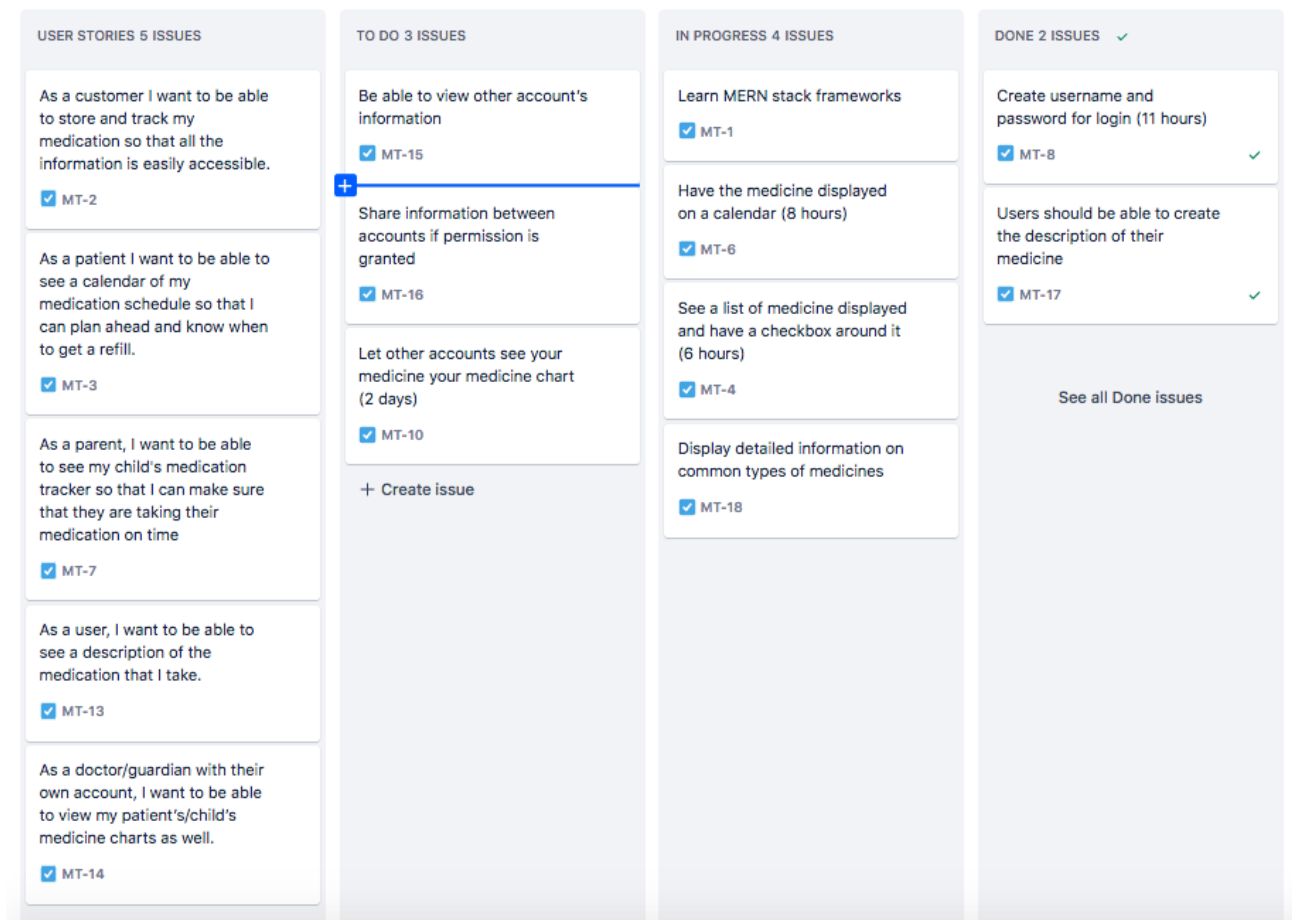

Team Roles:

- Scrum Master - Artyom Martirosyan
- Project Manager - Christopher Lim
